Documents

Pilots must hold a valid pilot license and a valid medical certificate from the issuing authority in their country. Pilot and Co-Pilot must both hold a valid FAI Sporting License. Each aircraft must hold a valid certificate of airworthiness, a certificate of registration, a certificate of insurance including any competition/country specific requirements. All documents must be prepared in English or a language understood by the organizer.

Flight Safety

The competitors must observe and adhere to the Flying Regulations of Poland, Competition Rules of FAI/CIG and regulations and instructions issued by the organizer.

Organizer Disclaimer of Liability

With their registration, all participants in the HWC in Jastarnia/Poland declare their waiver to any claims (criminal and civil) for damages of any kind that occur in connection with the event against the organizers, their assistants, Airfield owner, official authorities, and any other person involved with the organization of the event, as well as against other participants (pilots, co-pilots and passengers) and owners of the aircraft. All participants are responsible for ensuring that their aircraft has sufficient and valid liability insurance. All helicopters participating in the event must be licensed for flying in Poland (EU).

Complaints / Protests

All complaints and protests can only be made immediately after the flight in question and before the next flight takes off.

Insurance

It is compulsory for each competing helicopter to have third party insurance for an amount of a minimum of 2.000.000 Swiss Francs (or equivalent currency) for the whole duration of

the event, including training flights, and for flights over Polish territory to and from the competition site. An individual health insurance is required for each participant.
